CLEVELAND PEONY SHOW, 1913
1st Prize Vase of Mons. Jules Elie Peonies Grown by Martin Kohankie,
Painesville, Ohio

The Florists' Review in commenting on the show says the vase of Mons. Jules Elie grown by Martin Kohankie was clearly the finest exhibit in the hall.

PAEONIES—Large, three years, undivided clumps Mons. Jules Elie—The peerless pure pink one of the largest, handsomest and most lasting cutting rts in exist-	each	flowers on wiry stems; coloring is wonderfully rich and brilliant. In some markets this is known as the American Beauty Peony on account of the resemblance in color to the rose of that name. Good cut flower, red	1.00
ence Duchess de Nemours—Large, creamy white, especially fine. The leading white Paeonie for cut flowers bearing nearly twice as many flowers as any white in cultivation. Also valuable garden variety	2.00	Edoard Andre (Mechin)—Semi-double type, mid-season. Large, globular blooms in clusters of great effect, deep crimson, shaded black with metallic luster on the reflex of petals; stamens golden-yellow. A magnificent striking flower	1.50
Dorchester—Beautiful shell pink. Free bloomer, fine cutting and garden		Magnifica—Blush Rubra Triumphans—A satiny-finished,	.50
sort, late	.75	intensely rich crimson; fragrant	.50
Duke of Wellington—Large cones of creamy white; blush guards, free to bloom, long stems	.75	Richardson's Rubra Superba—Very late. Magnificent, rich, brilliant, deep crimson, without stamens; very large, full and double; highly fra-	
Duchess de Orleans—Large, rose shaped flowers with spreading guards of rose color, center buff	.50	grant, and the best keeper of the whole family. It is decidedly the best late absolutely indispensable in	1,50
Felix Crousse—Large double ball-shaped bloom; color rich ruby-red; we think the best red Peony	1.50	any fine collection Triumph de Paris—Guards blush, center bright yellow, tipped pink with
